

We Need YOU!

You're invited to a community forum in the area to provide input on a comprehensive infrastructure plan for Iowa's future economy. Join your community in discussing Iowa's infrastructure in the following sectors:

- › Buildings and Vertical Infrastructure
- › Energy
- › Natural Resources
- › Telecommunications
- › Transportation

Through five community forums, we are seeking input from stakeholders in the private, non-profit, and local public sectors to ensure that Iowa's infrastructure meets the demands of the future economy. **Your perspective is critical to Iowa's future economy.**

Five community forums will be taking place at the following locations and dates to accommodate Iowans across the state:

- › **Johnston, Johnston Public Library**
6700 Merle Hay Road, Johnston, IA 50131
February 2, 2010, 9:30 am to noon
