Calhoun and Sac County Secondary Road Departments

The Calhoun and Sac County Boards of Supervisors are seeking qualified applicants for the position of shared County Engineer with Calhoun and Sac Counties. Position requires registration as Professional Engineer in the State of Iowa.

The County Engineer is responsible and accountable for the over-all planning, direction, coordination, and control of the Secondary Road System. This includes the effective, safe and efficient construction, maintenance and engineering of all county secondary roads, bridges and related services. In addition, the Engineer will prepare and let contract documents for projects, present an annual budget and a five-year construction program identifying future road improvement projects, and work with union representatives on employment matters. The ability to establish and maintain an effective working relationship with department personnel, other government agencies, other county departments, contractors and the public is essential.

Previous experience as a County Engineer or assistant in Iowa is preferred. Salary based on experience and qualifications. Successful applicant must pass a pre-employment physical and drug test.

For application, job description or further information contact Judy Howrey, 416 4th St., Suite 1, Rockwell City, Iowa 50579, phone 712-297-7741 or email jhowrey@CalhounCountyIowa.com. E-mail or send application, resume and references to the address above by January 12, 2015 at 4:00 pm.
