Iowa State Association of Counties

PREFERRED vendor program

The Iowa State Association of Counties (ISAC) is the principal, authoritative source of representation, information and services for and about county government in Iowa. Our members are county officials and employees from all 99 counties.

ISAC knows that companies are looking for ways to build and to strengthen their relationships with county governments. With that in mind, we offer the ISAC Preferred Vendor Program to give companies the greatest exposure to county officials and employees.

The Preferred Vendor Program can help you accomplish your goals of creating and strengthening awareness and visibility. Our preferred vendors are uniquely positioned to build and deepen relationships with county officials in all 99 Iowa counties.

Why did we create this program?

This program offers companies the ability to have year-round exposure to county officials while helping to support ISAC events throughout the year.

What is the benefit to your company?

As a preferred vendor you will be able to keep in touch with ISAC members throughout the year. The program will minimize your costs by offering a large package rather than charging on a per-item basis. Budgeting for your company will also be made easier with this one-stop-shop approach. We will do all of the work for you so that you don't miss any opportunities to communicate with county officials.

Which level is right for your company?

The wide range of preferred vendor packages will fit every budget. Four levels of preferred vendors range from \$10,000 with the maximum exposure to \$1,000 annually. ISAC also offers a la carte opportunities.

Preferred vendor vs. a la carte?

The preferred vendor packages will give you a presence with the county officials of Iowa. A la carte opportunities are offered for the company interested in seeing if a market exists in county government.

Please contact Rachel Bennett, 515.244.7181 or rbennett@iowacounties.org, to discuss the program and your best opportunity for 2016. Payment plans are available for Elite Preferred Vendors.

www.iowacounties.org

ISAC's newly redesigned website has become one of the most visited sites among county officials in Iowa. Over the past year iowacounties.org has received over 42 million hits and averages around 3.5 million hits per month. A linked logo or company listing will be included on the website.

A la carte

Although the preferred vendor packages offer the most bang for the buck, a la carte opportunities are also available. The following options are mainly offered for a company looking to get started mid-year and/or feeling out the market. A la carte items can also be added to preferred vendor packages, but discounts cannot be given for these items.

The Scholarship Golf Fundraiser items are partially tax deductible. Sponsorships of this event fund the ISAC Education Foundation which awards scholarships to high school seniors who are children of county officials or employees.

The Supervisors Statewide Annual Meeting is held by the Iowa State Association of County Supervisors. ISAC coordinates the sale of their annual meeting booths.
