Education Specialist

Johnson County Conservation Board (JCCB) seeks a full-time Education Specialist. This position will be involved in interpretation of cultural history, including but not limited to agricultural and transportation history and architecture. Experience in natural history interpretation is an important part of this job and the person hired will be involved in marketing the overall Johnson County Conservation program. The position will be based out of various conservation areas in Johnson County.

Qualifications: Bachelor's degree in cultural resources related field, biology, botany, or other relevant major AND one year of experience working with the public as an educator OR any equivalent combination of education and experience which provides the required knowledge and abilities.

Special requirements: Valid driver's license and insurable under county liability coverage. Must pass background check.

Compensation: \$28.93- \$34.71/hour plus outstanding benefits. To learn more or to apply for the Education Specialist position please visit our website, www.johnson-county.com. Applications will be accepted until the July 28, 2020.

Resume and cover letter required.
