## **Epidemiologist**

Johnson County Public Health (JCPH) is seeking a full time Epidemiologist. This position is responsible for carrying out a range of investigative and analytical activities related to the surveillance, detection, and prevention of diseases and injuries. This position will provide data to the community and JCPH with clear metrics to guide, focus, and assess the impact of prevention initiatives.

Minimum requirements: Bachelor's degree in epidemiology or public health AND two (2) years of related work experience OR Master's degree in epidemiology or public health. Master's degree preferred.

Special requirements: Valid driver's license and insurable under county liability coverage. May also require use of private vehicle for official business.

Starting salary \$26.74 per hour plus an outstanding benefit package. To learn more about this position and to apply, please visit our website, [www.johnson-county.com/jobs](http://www.johnson-county.com/jobs). Applications are accepted through May 19, 2019.

*[Resume and cover letter are required attachments to the on-line application.](#)*
