

County Engineer - Lyon County

May 27, 2020

The Lyon County Board of Supervisors is accepting resumes for the position of County Engineer. Position requires a bachelor's degree in Civil Engineering and must have an Iowa Professional Engineering License. Five years of progressive experience in the transportation industry including supervisory or managerial experience is preferred. Lyon County, Iowa, with a population of 11,581, is in northwest Iowa. The County seat is in the community of Rock Rapids. The engineering department has approximately 28 employees. The Engineer plans, coordinates, assigns, and supervises all engineering and construction work performed by the county secondary roads department, as well as independent contractors. In addition, the Engineer will prepare and let contract documents for projects, present an annual budget, and a five-year construction program identifying future road improvement projects. The ability to establish and maintain an effective working relationship with all county personnel, other government agencies, contractors, vendors, and the general public is essential. Residency in Lyon County is required if hired. Possible salary ranging from \$100,000 to \$115,000 with salary negotiable depending on experience and qualifications.

Resumes may be sent to: Jennifer Smit, Auditor, 206 2nd Avenue, Rock Rapids, Iowa 51246 or emailed to: jsmit@co.lyon.ia.us

Resumes will be accepted until the position is filled.

Lyon County is an Equal Opportunity Employer.
