### Naturalist Intern

Johnson County Conservation Board (JCCB) seeks a seasonal, full-time, non-benefit eligible Naturalist Intern to assist in carrying out conservation/environmental education programming for JCCB. Provide programs and field trips for a variety of audiences; create and improve displays, write articles, provide public service announcements and write press releases. Duties will include the maintenance of live animal displays and working with volunteers. Assist Conservation staff with work activities and special projects.

Qualifications: Enrollment in a post-secondary biology, natural history, outdoor recreation, animal ecology, forestry or related curriculum OR any equivalent combination of training and experience which provides the required knowledge, skills, and abilities. Natural history related work experience preferred. **Special requirements:** Valid driver's license and insurable under County liability coverage.

\$15-17.50 per hour. To learn more or to apply for the Naturalist Intern position please visit our website, [www.johnson-county.com](http://www.johnson-county.com). Applications will be accepted until the position is filled. **Resume and cover letter preferred.**
