Who is CM&MHDS?

Case Management & Mental Health Disability Services (CM&MHDS) is an organization that is comprised of counties/agencies/regions that are either providing, or plan to provide, Medicaid targeted case management. These entities have entered into a 28E Agreement with CM&MHDS. CM&MHDS is under the direction and control of an 11 member Board of Directors, made up of county supervisors that are CM&MHDS members and one member that is appointed by the Iowa State Association of Counties (ISAC) Board of Directors. There are also three non-voting, ex-officio advisory members who are case management supervisors/directors from member counties/regions. The three full-time staff of CM&MHDS has over 85 years of experience in the mental health and disability services field.

Membership

Any Iowa county or other entity that provides case management or behavioral health services to Iowa residents may become a member of CM&MHDS by adoption of the 28E agreement. There is a \$600 entry fee for entities that have not previously been members, and then monthly dues dependent on the number of individuals served. Membership includes on-site quality assurance/technical assistance visits a minimum of three times a year for Chapter 24 compliance and state and federal regulations; quarterly administrators meetings; as needed support from staff; reduced-cost, high quality trainings/conferences; and advocacy and liaison work with DHS and IME.

Fee for Service Menu

For agencies that are not members of CM&MHDS, we are pleased to offer a fee for service menu. Quality assurance, technical assistance, and training are offered for case management or mental health and disability service providers. The menu is listed with costs. If your agency would like training or technical services not listed, please feel free to contact our agency to inquire if your request is something that we can accommodate.
