

HIPAA Compliance Vendors
ISAC HIPAA Program
August 30, 2016

Program Description: Have you been thinking about hiring a third party vendor to help you with your HIPAA compliance? Join us for the first webinar of the ISAC HIPAA Program monthly webinar series from 10:00 am – 11:00 am on Tuesday, August 30. You will hear from four counties/regions about their work with different HIPAA compliance vendors. You will walk away with information about the types of vendors that are available, the process each county/region takes at approaching HIPAA compliance, and the time and effort it takes to achieve compliance.
