Financial Analyst

Johnson County Finance Department is seeking for a Financial Analyst. This position will perform a variety of financial related duties in the preparation and administration of Johnson County's financial statements. Collect and analyze financial data and related financial information to prepare the financial statements and assist with county-wide special projects. Review and update financial policies and related documents as necessary.

Qualifications: Bachelor's degree in accounting or finance AND two years of experience in accounting/finance, budgeting; OR any equivalent combination of education and experience which provides the required knowledge, skills and abilities. Public sector, governmental accounting and reporting experience preferred.

Special Requirement: Must pass background check. Valid driver's license and insurable under County liability coverage. May also require use of personal vehicle for official business.

Compensation: Position salary is \$29.87 - \$35.85 an hour, plus excellent benefits. Looking for diverse applicant pool and candidates willing to be trained on the job. To learn more about this position and to apply, visit www.johnsoncountyia.gov. Applications are accepted until position is filled.

Cover letter and resume must be attached with online application.
