Updates and Changes FY25

Basic Property Tax Levies

For Current Year (FY24):

Maximum Basic Levies

- \$3.50 per \$1,000 of taxable valuation for general county services
 - Services which are primarily intended to benefit all residents of a county, including secondary road services, but excluding services finance by other statutory funds
- \$3.95 per \$1,000 of taxable valuation for rural county services
 - Services which are primarily intended to benefit those persons residing in the county outside of incorporated city areas, including secondary road services, but excluding services financed by other statutory funds

Definitions remain the same, but levy limits will be calculated for each county beginning with the FY25 budget.

Basic Property Tax Levies-Changes from HF 718

- Strikes 331.426, which allows counties to exceed the General Basic and Rural Basic rates by publishing an extra notice
- Retains 3.50 and 3.95 for FY24 and prior
- Allows any existing exceeding amount included in FY24 budgets to be included in the base calculation of the maximum basic rates for FY25
- Requires an election to exceed the basic levies and limits their length moving forward

Basic Levies-Changes from HF 718

- Provides a mechanism for levy rate to be reduced if non-TIF taxable growth triggers are met or exceeded
- Goal is to bring all levies back under or to the max rate over time. Rate each year becomes part of the calculation for the next year
- Maximums will go back to 3.50/3.95 in FY29
- Reduces levy by constraining growth by 2% or 3% each year, depending on the trigger hit
 - Non-TIF taxable growth under 3%, no reduction
 - Non-TIF taxable growth over 3% but less than 6%, 2% reduction factor applied
 - Non-TIF taxable growth over 6%, 3% reduction factor is applied

Business Property Tax Replacement

Business Property Tax is no longer a credit but a reduction of value with a replacement. Budget like Commercial and Industrial Replacement under the 22xx revenue sources.

FY24 was the first year of replacement revenue (Two Tier Replacement) instead of the Business Property Tax credit revenue from the State.

You may want to review what was received for the first half FY24 payment to estimate your FY25 replacement revenue.

Commercial & Industrial Phase Out

DOM has estimated future C&I replacements throughout the phase out.

<https://dom.iowa.gov/document/commercial-industrial-replacement-payments>

Homestead and Military Exemptions

Homestead Exemption

HF 718 retains the existing homestead credit and adds a homestead exemption for individuals 65 and over. For FY25, those individuals receive a property valuation exemption of 3,250. This increases to 6,500 for FY26 and beyond. There is no state replacement revenue for this exemption.

Military Exemption

HF 718 also increased the military property valuation exemption from 1,852 to 4,000 for FY25 and after. The military exemption will not be funded by the state in any amount for FYs beginning FY25 and forward

Walk Through the Budget Process Timelines

Example County Budget Process Calendar

The calendar is a general example of how to schedule your budget process. Please note the following:

- Check with your local papers and document the official publication day of your newspaper(s) and when they need your notice so you can meet these tight deadlines. Always ask the newspaper for a proof for your review prior to the due date. Check the newspaper on the day of publication to make sure the notice was actually published.
- The timeline contains both recommended and statutory completion dates. Recommended dates build in a time cushion in case of county mistakes or newspaper publication deficiencies. Statutory deadlines when applicable are included for when the item is required to be completed.
- Remember, notice must be not less than 10, not more than 20 days before the hearing date in all official newspapers.
- You can publish your first notice ahead of sending out the required mailing BUT the hearing itself should not take place prior to the window in which residents receive the mailing.

- Must be published not less than 10 nor more than 20 days before the hearing.

Budget Adoption and Deadline

Budget submission deadline for counties is **April 30**

APRIL 2024						
Su	Mo	Tu	We	Th	Fr	Sa
31	1	2	3	4	5	6
7	8	9	10	11	12	13
14	15	16	17	18	19	20
21	22	23	24	25	26	27
28	29	30	1	2	3	4

Late Budgets

- Taxes levied by a county whose budget is certified after April 30 shall be limited to the prior year's budget amount.
- The penalty may be waived by the director of the DOM if the county demonstrates to the satisfaction of the director that the deadline was missed because of *circumstances beyond the control of the county.*

Budget Protests

- Budget Protest deadline is May 10 to accommodate later budget deadline.
- Budget hearing notice must include information on protesting the budget (DOM added language to the hearing notice.)

Budget Protests

- Protesting a local government budget is covered under *Code of Iowa* Section 24.27. Persons affected by the proposed budget, expenditure or tax levy, or by any item thereof, may appeal the budget by filing a petition and appeal with the county auditor of the county in which the local government is located.
- Protests to county budgets require at least 100 signatures
- County Auditor forwards protest document to State Appeal Board

Appropriations

The board must appropriate, by resolution, the amounts deemed necessary for each of the different county officers and departments during the ensuing fiscal year.

Without an appropriation, expenditures are not authorized. Appropriations need not be made in any specific level of detail.

It is unlawful for a county official to authorize an expenditure larger than the amount, which has been appropriated by the board of supervisors (Code of Iowa Section 331.437).

Changing Departmental Appropriations

Increases or decreases in departmental appropriations do not require a budget amendment, as long as none of the 10 major classes of expenditures are to be increased. Instead, changes in departmental appropriations may be provided by resolution at any regular meeting of the board. Obviously, any increases in departmental appropriations will have to be offset by decreases in other departmental appropriations, so individual expenditure class amounts are not exceeded.

Changing Departmental Appropriations

Decreases in appropriations for an office or department of more than 10 percent or \$5,000, whichever is greater, are not effective until the board holds a public hearing on the proposed decrease, and publishes notice of the hearing not less than 10 nor more than 20 days prior to the hearing, in all of the county newspapers selected under *Code of Iowa* Chapter 349 (*Code of Iowa* Section 331.434(6)).

Budget Amendment

A budget amendment is required for any increase in the totals for any one of the 10 major classes of expenditures listed on the adopted budget summary. The amendment must be effective before the expenditure amounts are exceeded.

Budget amendments require the same notice and hearing procedures as required for the adoption of the original budget.

Budget amendments are subject to protest. An amendment of a budget after May 31, which is properly protested but without adequate time for hearing and decision on the protest by June 30, is void.

Budget Amendment Online Form

- The amendment form is found by logging into this same online system you use to adopt your budget and selecting “Amend” on your current year budget.
- A webinar on the amendment process is viewable
- You can also access instructions within the online amendment form itself.

Propose/Publish Regular Budget Notice

The system will generate a notice you can print or save to your system.

You can also access the public hearing notice at any time after proposing by going to Print at the top right.

Adopt the Budget

Following the public hearing, the Board may make any allowable revisions (decreasing tax asking or expenditures) to the budget by Return to Draft (which just opens the budget for edits) and making changes. The budget is again “Propose/Publish” (although not published in the newspaper again-leave the original publication date the same unless republishing for some reason) and now ready to “Adopt”.

Adopt the Budget

If no revisions are needed, you just click “Adopt” to proceed with the budget as currently presented. Enter your Adoption date and resolution number and click “Adopt”.
