

**Washington County Ambulance Services
Field Supervisor - Paramedic**

Individual will assist in coordination of assigned shift activities and assure staff coverage of ambulances; will organize and direct the work of personnel; assist in hiring, training and discipline of personnel; collect data, keep organized records, and prepare specialized reports; and performs the duties of an EMT-Paramedic.

Special requirements: Current EMT-Paramedic certification in the State of Iowa, and current PALS, BCLS and ACLS provider certifications (preferred). Valid Class D Chauffer's license and a safe driving record. Must complete NIMS ICS 300 training with six (6) months of hire; Mandatory Reporter training also required.

Education and experience requirements: High school graduate or equivalent AND three (3) years of paramedic experience AND one (1) year of supervisory experience OR any equivalent combination of experience and training that provides the required knowledge and abilities.

Knowledge of EMS and the operations of an advanced ambulance service. Knowledge of Paramedic level pre-hospital medical care practices. Knowledge of county and city roads, landmarks, general use of maps, and route planning. Knowledge of Iowa traffic laws and regulations. Understanding of general HIPAA regulations.

Salary: to be determined, based on education and/or experience.

Employment application and full job description may be found at <https://washingtoncounty.iowa.gov>. Please submit completed County application, and/or any other application materials to be considered to:
