

JACKSON COUNTY IS SEEKING APPLICANTS TO FILL AN UPCOMING VACANCY for an

ASSISTANT COUNTY ENGINEER

This position involves assisting the County Engineer in performing professional engineering duties including surveying, planning, design, maintenance, and construction inspection of secondary road projects.

Successful candidates must have

- A four-year degree in Civil Engineering
- Possess knowledge and/or experience in the planning, designing and execution of road, bridge and drainage maintenance and construction projects
- Valid State of Iowa Driver's License

Applicants must also have, or be able to obtain

- Iowa DOT certifications in Level I HMA, Level I PCC, and Aggregate Technician inspection
- Have knowledge and experience with AutoCAD, MS-Office, and modern surveying equipment

Effective written and oral communication skills are a requirement of this position, along with the ability to establish working relationships and convey information with co-workers, contractors, officials, and the public.

Licensed as a professional engineer (PE) in Civil Engineering in Iowa is desired.

This is a full-time position offering a salary range of \$75,000 - \$105,000 based on qualifications and experience.

Jackson County offers an excellent benefit package that includes IPERS retirement, health, dental, vision and paid time off.
