

COUNTY ENGINEER

Crawford County, Iowa, is seeking qualified applicants for the position of County Engineer.

Crawford County, population 16,525, is located in West Central Iowa and has Denison as its county seat. The county is led by a five-person board of supervisors. The secondary road department has 35 employees including both engineering and road maintenance staff.

Why Crawford County, Iowa?

Crawford County, Iowa, home of Donna Reed, offers a welcoming community with a rich history and vibrant diverse culture. Enjoy the charm of small-town living with easy access to trails, County Parks, soon to be completed indoor Field House and Wellness Center, local events and supportive community. The area takes pride in a strong Public School system as well as parochial opportunities. It's the perfect place to balance a fulfilling career and high quality of family-based living.

Role Description

This is a full-time on-site role as a County Engineer located in Denison, IA. The County Engineer will be responsible for managing the county's transportation infrastructure, including planning, designing, and overseeing construction projects, managing budgets, coordinating with contractors and stakeholders, ensuring compliance with regulations, and providing technical expertise and guidance. The County Engineer will also be responsible for managing the County Roadside Department including ensuring adequate staffing, purchasing of materials and equipment and coordinating and scheduling of roadside maintenance activities.

Qualifications

- Bachelor's degree in civil engineering or a related field
- Professional engineering license or be able to obtain the license within two (2) years.
- Possession of a Land Surveyor's License would also be beneficial but not required.
- Experience in transportation engineering and project management
- Strong knowledge of engineering principles, design standards, and construction practices
- Understanding of CADD software and other engineering tools
- Excellent problem-solving and analytical skills
- Strong communication, organizational and leadership abilities
- Ability to work effectively with cross-functional teams and stakeholders
- Knowledge of applicable laws, regulations, and safety standards
- Experience with budgeting and resource management

Salary: \$115,000-\$140,000 Negotiable DOQ

Crawford County benefits include: IPERS, Health Insurance, Dental, Vision, Life, Sick Leave, Vacation and Holiday Pay.
