

Safety and Risk Improvement Adviser

The Iowa Municipal Workers' Compensation Association (IMWCA) is seeking a Safety and Risk Improvement Adviser to provide professional risk management and safety consulting services to local government members throughout Iowa. This position plays a key role in helping cities, counties, and other public entities reduce workplace injuries, manage risk exposures, and improve overall safety performance.

Key Responsibilities

- Conduct on-site safety and risk assessments for municipal and county members.
- Identify workplace hazards and provide practical recommendations to reduce risk and prevent losses.
- Analyze workers' compensation trends, loss data, and risk exposures.
- Investigate incidents and recommend corrective actions.
- Prepare written reports and present findings to local government officials and management.
- Develop and deliver safety training programs, workshops, and presentations.
- Assist with underwriting reviews and provide risk assessment recommendations.
- Build strong working relationships with elected officials, administrators, and member organizations.
- Travel extensively throughout Iowa to conduct member visits and consultations.

Qualifications

- Minimum of three years of experience in safety, risk management, local government, or a related field.
- Working knowledge of safety and risk management practices, preferably within local government operations.
- Strong verbal and written communication skills with the ability to present to groups and work with diverse stakeholders.
- Ability to analyze data, identify trends, and develop practical solutions.
- Proficiency with computer applications and reporting tools.
- Valid Iowa driver's license with an insurable driving record.

Preferred Qualifications

- Experience with workers' compensation programs.
- Experience working with municipalities or other governmental entities.
- Associate degree or coursework in a related field.
- Professional certifications such as Associate in Risk Management (ARM), Certified Safety Professional (CSP), or OSHA 30-Hour certification.

Why Join IMWCA?

This position offers the opportunity to make a meaningful impact on workplace safety across Iowa's local governments while working with a team dedicated to serving public entities through education, consultation, and risk management expertise.

To apply, please submit your resume and cover letter for consideration to Shannon Busby at shannonbusby@iowaleague.org by July 31, 2026.
